Dear Sir or Madam,

I feel bad to trouble you but I am afraid that I have to make a complaint about the mobile phone that I purchased from your store.

I bought a Nokia 5820 mobile phone from your store for about 2,100 yuan during the early days of this month. It was less than a week later that I found something wrong with it. I couldn't turn on the phone. I have tried many times but failed. What's worse, although I have repaired it twice, it still doesn't work.

This problem has affected my normal life. Would you please let me know whether I could return the mobile phone to you for a replacement or get a full refund? I hope that my problem will get your kind consideration.

Sincerely yours,

Part VI Writing

【参考范文】

I have several hobbies that bring me joy and keep me refreshed. Reading is one of my favorite one. I love getting lost in a good book, especially adventures that transport me to different worlds. Another hobby I enjoy is painting. Art allows me to express myself creatively and relax after a long day. I also have a passion for playing the guitar. Music gives me a sense of peace and is a great way to release stress. These hobbies enrich my life, helping me to relax, learn new things, and express myself.
